

# COMPANY PROFILE

**The Journey to Parenthood STARTS  
with the Right Step...**

## About Us

Procure Hospital and Diagnostics is one of the leading health care facilities in Nigeria, with an unstinting focus on clinical excellence, affordable cost and cutting-edge technology. We offer a wide range of consistent high quality and up-to-date medical services, that allows us to serve with compassion and sensitivity to the individual needs of our patients in a comfortable, convenient and serene environment.

Dr. Moses Fache an IVF Specialist/Expert with more than 21 years experience in Gyneocology and Obstetrics, founded Procure hospital in 2015, in a quest to help families with infertility problems to have more children as desired. Since her incorporation in 2017 we have been committed to ensuring an overall health satisfaction for families within and outside Nigeria.

## VISION

To provide our clients with exceptional service and compassion  
with a world class care that is accessible and affordable

## MISSION

Procare Hospital and Diagnostics is dedicated to providing quality patient care with unwavering attention to clinical excellence, patient safety, with an unparalleled passion and commitment to guarantee the very best care and service to those we serve.
